Hug Sent.

Twelve Step Within (TSW) Day on December 12 of every year is an opportunity for OA members to reach out to Those Within the Fellowship Who Still Suffer.

This year the TSW Committee and the Relapse Recovery and Prevention meeting on Tuesday nights invite you to attend their combined group meeting/recognition of TSW Day for 2017. The meeting starts at 5:30pm and is held in the Salvia room at Saint Phillip's Episcopal Church on the NE corner of River and Campbell (enter on the driveway on Campbell just North of the intersection). The Salvia room is in the long building to the South right next to River Rd.

Join in the fellowship of OAers who understand the struggles and joys of working and living the OA 12-Step program of recovery.

Here are some things you can do to reach out individually to the still-suffering in OA:

Make outreach calls, offer rides to meetings, babysit so someone can attend a meeting, call a sponsee and offer encouragement, write a newsletter article, reflect on your own recovery, and share your thoughts with another person!
