

Desert Recovery

TUCSON OA INTERGROUP
P.O. BOX 65172
TUCSON, AZ 85728

The New OA 12-Step Workbooks Are Here!

These workbooks are meant as a companion tool to the OA Twelve Step book, and provide a wonderful structure for a thorough working of each of the steps. If your meeting does not have any of these new workbooks available, ask your treasurer or Intergroup rep about purchasing some for sale at your home group. These books can be purchased through our literature chairman, Steve B. Contact him at 602-948-1111. The cost of each workbook is only \$5.78 -- and well worth it!

IMPORTANT !!!

The P.O. Box number that has been printed in previous versions of the *Desert Recovery* is **INCORRECT**. Please note the address above states that the Box number is **65172**. Previous editions of this newsletter had it listed as 65712. We know that several of treasurers who have mailed money to the 65712 address and the checks were sitting there for some time. I apologize for this as I am sure I inverted the numbers by accident when I heard them at an earlier Intergroup meeting. Bob is checking with the post office to try to retrieve those checks from the 65712 box. But from now on, please note the correction for future correspondence. Thank you.

WANTED

VOLUNTEERS NEEDED TO HELP WITH THE 1993 PICTURE ROCKS RETREAT

Our fearless Special Events chairman, Bruce, is preparing to roll up his sleeves and start working on the preparation details for this year's retreat at Painted Rocks in October. But he needs your help. As you can well imagine, there are flyers to be made and distributed, registration lists to keep track of, name badges to be made, and other various details that no one person should have to do alone. That is why a Special Events committee is being formed. If several OAers volunteer a few hours of their own time to help in this very important event, the job will be a much easier and smoother one for EVERYONE! If you have ever been to one of our retreats, you know how special and important this event is for many of us in recovery. Let's help Bruce make this the best retreat ever. If you can give of some of your time this summer (not a lot, just a couple hours a month), then please call Bruce at

Keep It Simple
