CONCEPT X

Every service responsibility should be matched by an equal service authority-the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description, or by appropriate charters and bylaws.

ALANON says: service responsibility is balanced by carefully defined service authority and double-headed management is avoided

Before i read the two pamphlets, i was going to mention the Concept, Right of Decision (III) and Tradition 2 They are relevant to this concept r i have read the concept pamphlets. Also, the Right of Appeal and the Right of Petition (V) guarantee that minority workers have authority and status commensurate with their responsibilities.

Tradition 2 really implies this concept since group conscience is the ultimate authority and trusted servant is the delegated authority. One cannot function without the other. Careful definitions and mutual respect are the means by which we constantly maintain a right and harmonious working balance.

This is the end of another year, out I like to think of the new year eginning. Near the very end of ecember I have my birthday - I'll e 37 years old (young). Also, the th of January is my OA birthday -'ve been in OA for seven years. hey have been the best years of my The OA Program has given my ife! ife a richer dimension and for this am thankful. My greatest fear beore CA was fear of people. Thanks o the OA program I am losing that ear. I realize now that when we are ealthy emotionally, spiritually, and hysically, we are able to give off (hose healthy vibes. Last week when was eating alone at a local cafeeria a man came up to me and asked e if I was the lady he ran into when le was jogging. I had to say "No." was so flattered to think I was beng mistaken for a jogger! Exercise as not gotten ahold of me yet but t's something that might in my future, here are so many "little" miracles n our lives if we just look for them. wish you all a happy and healthy Sincerely, lew Year.

NTERGROUP POSITION OPEN NOW: as of his issue, the position of newsletter ditor is available to someone who rould like to learn the satisfaction of sharing oneself in this way. contact Holly, , to volunteer.

SYMPTOMS THAT LEAD TO RELAPSE:

COMPLACENCY: "Overeating was the furthest thing from my mind." Not overeating was no longer a conscious thought either. It is dangerous to let up on discipline because everything is going well. Always to have a little fear is a good thing. More relapses occur when things are going well than otherwise.

TREASURER'S REPORT

At Intergroup last month, Belle showed a starting balance of \$205.24. After meeting list and newsletter expenses were deducted and contributions were received from Monday Morning Step, Wednesday Silhouettes, Saturday Omni, and Thursday Lifeliners, the new balance was \$213.25. Also deducted was the telephone bill.

A SHOPPING TRIP

I must go shopping. I am completely out of generosity and want to get so me. I also want to exchange the self-satisfaction that I picked up the other day for some real humility., they say it wears better.

I want to look for tolerance, which is worn as a wrap this season. I saw some samples of kindness, and I'm a little low on that right now; one can't get too much of it.

I must try to match some patience. I saw it on a friend, and it was so becoming. I must remember to get my sense of humor mended, and keep my eyes open for inexpensive goodness. Yes, I must go shopping today.

DELEGATES ! REPORT:

Intergroup was financially unable to send both delegates to the Regional Convention in Austin this past November. There are four assemblies each year to which our delegates go to represent Tucson OA. Why not consider, as part of your Christmas giving, a contribution to your Delegates' Fund?
