<p>07/12 It was adopted:</p>	<p>That the following processes be followed for handling SEAZ Intergroup expenses.</p> <ol style="list-style-type: none"> 1. The standard and recommended way for paying expenses is that the Treasurer, upon receipt of a completed expense form with appropriate receipt(s) attached, will issue a check for the amount expended to the OA member or vendor. 2. If an Intergroup committee or member needs money in advance of payment, the expense form will need to be completed with the words "In Advance" shown at the top and the estimated costs shown on the form by expense item (what the purchased item(s) will be) and a total amount. The Treasurer will issue a check for the estimated amount. A new completed expense form with receipts needs to be given to the Treasurer no later than at the first Intergroup meeting following the event, along with any money in excess of the expenses, if applicable. Both forms should be filed together by the Treasurer for audit purposes. 3. An Intergroup committee or member may present a motion to the Intergroup to establish a separate bank account with a specific amount of money from the SEAZ budget. The motion needs to include the rationale to open a separate account and a timeline for closing of the account or the need for its permanence. The Intergroup, after discussing the value and need for another account, votes whether or not to pass the motion. All SEAZ accounts are to be audited annually. 4. The SEAZ Treasurer, as a trusted servant, oversees the management of the SEAZ Intergroup funds and verifies that requests and payment of funds are reasonable and appropriate for our Intergroup. The Treasurer may refer any situation to the Intergroup for discussion and review. <p>SEAZ Intergroup Board recommends that personal checks submitted for an event be held until one week prior to the event. Cancellations can then be handled by destroying the check. Cancellations after the checks have been deposited are considered donations to the event, unless the cancellation date was not published.</p>
